

S/N	Item	Specifications	Image
1	Logitech Meetup	<p>Small room: All-in-one design 120° field of view Camera presets Motorized pan/tilt Plug-and-play USB connectivity Ultra HD 4K image sensor 5x HD zoom Volume: 95 dB SPL at 1/2 meter peak</p>	
2	Logitech Meetup2	<p>small meeting rooms: 120-degree diagonal field of view, 4x digital zoom, 6 beamforming microphones, Camera: 4K sensor, 120° diagonal field of view, 113° horizontal, 80° vertical. Field of View: 120° diagonal. 4K UHD camera with 4x HD digital zoom Speaker: Audio: 6-element beamforming microphone array, 7m (23 ft) pickup range, 1 full-range speaker.</p>	
3	Logitech Rally Bar Huddle	<p>small room: 4K video bar small meeting rooms (4–6 people), featuring a 120° field of view, 4x digital zoom, and AI-powered camera intelligence. It includes a 6-microphone array (7m/23ft range), supports appliance mode (CollabOS), USB mode, or BYOD</p>	
4	Logitech Rally Bar Mini	<p>Small Rooms Camera: 4K motorized PTZ with AI Viewfinder. Audio: 6 beamforming mics, 3 speakers, supports 3+ additional mic pods. AI: RightSight 2 (speaker/group view). Features: Appliance mode (Zoom/Teams) or BYOD, cable management, 42% recycled plastic (Huddle version).</p>	
5	Logitech Rally Bar	<p>Midsize Rooms: Camera: 4K PTZ (15x HD zoom: 5x optical + 3x digital). Field of View: 90° Horizontal, 52.2° Vertical. Audio: 6 beamforming MEMS mics, 7m pickup, 2x 70mm drivers. AI: RightSight 2 (auto-framing/speaker view), RightLight (color/light optimization). Connectivity: USB 3.0, HDMI In/Out, Wi-Fi, Ethernet. Dimensions: 164 mm (H) x 910 mm (W) x 130.5 mm (D)</p>	
6	Logitech Rally Plus	<p>large and extra large rooms. Up to 15X total zoom (5X optical and 3X digital) 4K PTZ camera, two speakers, and two microphone pods. It supports Ultra-HD 4K, 1440p, 1080p, and 720p video at 30/60 fps, 15x zoom, 90° field of view,</p>	

7	Logitech Tap Controller With CAT5E kit	<p>Meeting room touch controller for video conferencing room solutions:</p> <ul style="list-style-type: none"> One-touch join 10.1" touch display HDMI input for content sharing USB accessory port Clean cable management Dual cable exits <p>Monitor and manage with Logitech Sync remote management</p>
8	Logitech Rally Mic Pod Table Mount	<p>20–50 mm table thickness compatibility, built-in cable management.</p> <p>Table Compatibility: Fits tables 20-50 mm Cable Management: Includes a cable spool to manage and hide cabling beneath the table.</p>
9	Logitech Wall Mount for video Bars	<p>Wall Mount For Video Bars VESA-compatible mounting kit for Rally Bar and Rally Bar Mini</p>
10	Logitech Rally Mic Pod	<p>Modular microphones with RightSound for Rally Bar Mini, Rally Bar, and Rally Microphones</p> <ul style="list-style-type: none"> Frequency Response: 90Hz – 16kHz Sensitivity: >-27 dB +/-1dB @ 1Pa Microphone data rate output: 48 kHz Pickup Range: 4.5 m <p>Beamforming Elements: Four omnidirectional microphones forming eight acoustic beams</p> <p>Audio processing: AEC (Acoustic Echo Cancellation), VAD (Voice Activity Detector)</p> <p>Noise suppression: AI filter</p>
11	Rally Mic Pod cat Coupler - Graphite	<p>Supports CAT cable lengths up to a maximum of 20 meters</p> <p>Supported cable types: CAT6 SFTP/SSTP</p>

12	Logitech Tap Scheduler	<p>Touchscreen Size: 10.1" diagonal Display Type: IPS (In-Plane Switching) LCD Panel with LED Backlighting Resolution: 1280 x 800 Viewing Angle: 85° (up/down/left/right) Ethernet: 10/100mbps WiFi: 802.11a/b/g/n/ac</p>
13	Logitech GROUP	<p>Mid to large-sized meeting rooms Camera Smooth motorized pan, tilt and zoom Pickup Range: 6 m Remote Control 5 camera presets SPEAKERPHONE Full-duplex performance Acoustic echo cancellation</p>
14	Logitech Rally Mic Pod Extension Cable, White, 10m	Used for extending mic cable
15	Logitech TAP Riser Mount	<p>Tap IP touch controller Cable Management: Integrated routing system keeps cables tidy. Display Angle 30° display angle 180° swivel Compatible devices Logitech Tap IP Logitech Tap</p>
16	Logitech Group expansion Microphone	<p>Add-on mics for larger groups Connection Type: Plug-and-play Indicator Lights (LED): LED to confirm video streaming, microphone mute, on-hold, and Bluetooth pairing. Microphone Type: Mono, wideband, noise canceling Buttons / Switch: Microphone mute</p>

17	Logitech Connect	<p>The Logitech ConferenceCam Connect Video Conferencing Camera is a compact all-in-one portable video conferencing solution designed for huddle rooms and small meeting spaces. It features a Full HD 1080p camera with a 90° field of view, 4x digital zoom, autofocus, and digital pan/tilt for clear group coverage. It comes with dual omnidirectional microphones offering 360° audio pickup up to 3.6 meters.</p>	
18	Sight	<p>The Logitech Sight Video Conferencing Camera is an AI-powered tabletop companion camera designed for hybrid meetings in medium and large conference rooms. It features dual 4K cameras with a 315° horizontal field of view, intelligent speaker framing, and auto participant tracking to provide a front-and-center meeting experience for remote attendees.</p> <p>It includes 7 beamforming microphones with up to 2.3 m (7.5 ft) audio pickup range, AI noise suppression, acoustic echo cancellation, and voice detection for clear audio performance.</p>	
19	Rally Plus	<p>The Logitech Rally Plus is a professional modular video conferencing solution built for large and extra-large conference rooms. It features a 4K Ultra HD PTZ camera with 15x HD zoom (5x optical + 3x digital), 90° diagonal field of view, and motorized pan/tilt for complete room coverage. Logitech RightSense technologies including RightSight auto-framing, RightLight with WDR, and RightSound AI noise suppression deliver intelligent meeting experiences.</p> <p>The system includes dual Rally speakers and dual mic pods with beamforming microphones offering up to 7 m audio pickup range, acoustic echo cancellation, voice detection, and background noise suppression. Up to 7 mic pods can be connected for larger rooms and up to 46 participants.</p>	
20	Rally Board 65	<p>The Logitech Rally Board 65 is a premium all-in-one video conferencing and collaboration solution designed for modern meeting rooms and open workspaces. It features a 65" 4K UHD multi-touch display with 20-point touch support, anti-glare coating, and integrated whiteboarding support with stylus compatibility.</p> <p>It comes with a 20.3 MP 4K camera featuring a wide 115° field of view, 4x HD digital zoom, AI auto-framing, speaker tracking, and automatic motorized tilt adjustment. The system includes dual full-range speakers, dual tweeters, and an advanced beamforming microphone array with up to 7 m audio pickup range, AI noise suppression, echo cancellation, and RightSound 2 audio processing.</p>	

21	Tap IP	<p>The Logitech Tap IP Touch Controller is a 10.1" network-connected touch controller designed for Zoom Rooms, Microsoft Teams Rooms on Android, and Google Meet room solutions. It features a 1280 × 800 IPS multi-touch display with anti-fingerprint coating, motion sensor, and sleek low-profile design for intuitive meeting control.</p> <p>It supports one-touch meeting join, calendar integration, content sharing, and centralized device management through Logitech Sync. The Tap IP uses a single PoE Ethernet connection for both power and data, ensuring clean and simple installation.</p>	
22	Rally AI Camera	<p>The Logitech Rally AI Camera is an enterprise-grade AI-powered conferencing camera designed for medium and large meeting rooms. It features a 20 MP 1-inch imaging sensor with 4K Ultra HD video resolution, 115.7° diagonal field of view, and 4x HD digital zoom for crystal-clear room coverage.</p> <p>Powered by Logitech RightSight 2 AI technology, it supports intelligent group framing, speaker tracking, grid view, and camera zone control for a more immersive hybrid meeting experience. The camera includes 8 beamforming MEMS microphones for AI-assisted framing and direction detection.</p>	
23	Rally AI Camera Pro	<p>The Logitech Rally AI Camera Pro is an advanced enterprise-grade PTZ conferencing camera designed for large and complex meeting environments. It features a dual-camera system with a 1-inch image sensor, 4K Ultra HD resolution, 15x hybrid zoom (5x optical + 3x digital), and a 90° diagonal field of view for premium video clarity and room coverage.</p> <p>Powered by Logitech RightSight 2 AI technology, it supports intelligent speaker tracking, presenter view, group framing, grid view, and camera zone control for immersive hybrid meetings. The camera also includes 8 beamforming MEMS microphones for AI-assisted participant detection and framing.</p>
